MEMORANDUM FOR: Office of Legislative Counsel

STATINTL

ATTENTION : [REDACTED]

SUBJECT : H.R. 61

REFERENCE : OLC Memorandum dated 7 May 1975

1. I have read H.R. 61 and your analysis thereof and agree that efforts must be made to insure that the Agency not be considered a "criminal justice agency" as defined in the proposal as well as to insure that the Agency will still have access to the information covered by the proposal. In addition, provisions should be made to insure that:

a. the Agency will be able to use any information requested in any way consistent with its functions; and

b. requests for and receipt of information may be done without the knowledge of the individual who may be the subject of the information request.

2. As you state in your analysis, other provisions of the proposal would cause serious problems within the DDO. It is hoped that the Agency can be exempted from all provisions of the proposal. We would appreciate being kept up to date as H.R. 61 moves along.
